Our vision is to eradicate Veteran homelessness in the City of Philadelphia by providing access to safe, quality, affordable housing, resources, and supportive services that enable veterans to become self-sufficient and build longevity in economic independence.

Qualifications

It is essential that board candidates possess a variety of skills, with an emphasis on accounting, human resources, legal, and media expertise. Additionally, AHARI is seeking individuals connected to local workforce development agencies, foundations, organized labor, cultural organizations, communities of color, and most importantly, military and veterans' organizations.
